It is the intent and purpose of this Agreement to assure a sound and mutually beneficial working and economic relationship between the parties hereto, to provide an orderly and peaceful means of resolving misunderstandings or differences which may arise, and to set forth herein the basic and full Agreement between the parties concerning rates of pay, hours of employment, and other conditions of employment.

ARTICLE 2 UNION RECOGNITION AND SECURITY

Section 2.1 Pursuant to and in accordance with all applicable conditions of the law of the State of New York including, but not limited to General Municipal Law, Civil Service Law and Military Law, the Village recognizes the Union as the exclusive collective bargaining representative for those employees in the defined bargaining unit for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment, and other conditions of employment.

Section 2.2 (a) The Employer agrees to deduct Union membership dues in accordance with the amount certified by the Union to the Employer and to maintain such dues deductions in accordance with the terms and conditions of the Authorization for Payroll Deduction of Union Dues form provided by the Union from the pay of all employees who have executed such authorization for payroll deduction of Union dues.

(b) Payroll deduction of Union dues under the properly executed Authorization for Payroll Deduction of Union Dues form shall become effective at the time the form is signed by the employee and shall be deducted by the next full pay period and each pay period thereafter from the pay of the employees.

(c) The Village agrees to deduct COPE contributions from the wages of employees as expressly authorized by each individual employee on the deduction authorization attached as "Appendix B."

Section 2.3 The Employer recognizes that this is an Agency Fee Agreement, and in accordance with such, it is understood that each employee who is a member of the bargaining unit, but is not a member of the Union, shall be liable

to contribute to the Union as representative costs, an amount equivalent to such dues as are from time to time authorized, levied, and collected from the general membership of the Union. The Village agrees to deduct an amount equal to the normal monthly dues paid by members of this Union after thirty (30) calendar days of employment from the earnings of each of said employees covered by this Agreement. The Deputy Clerk, Deputy Treasurer, the Water/Sewer Clerk, the Administrator's Confidential Secretary, seasonal employees shall not be included, but temporary and part-time employees will be included in the bargaining unit.

Section 3.17 Designation of personnel, materials, method of reproduction and distribution of copies of this Agreement will be by mutual consent of both parties.

ARTICLE 4 MANAGEMENT RIGHTS

Section 4.1 The Union recognizes that all of the functions, rights, powers, responsibilities and authority of the Village with regard to the operation of its work and business and the direction of its work force which the Village has not specifically abridged, deleted, delegated, granted or modified by this Agreement are and shall remain exclusively those of the Village. Notwithstanding any

provision of this Article to the contrary, nothing herein shall be deemed a waiver of the legal rights of either the Village or the Union with regard to subcontracting of bargaining unit work.

Section 4.2 Not by way of limitation of the foregoing clause, the Village retains the right and responsibility, subject always to the terms of this Agreement, to: (1) hire, discharge, transfer, suspend and discipline employees; (2) determine the number of individuals required to be employed, laid off or discharged; (3) determine the qualifications of employees; (4) determine the starting and quitting time and the number of hours to be worked by its employees; (5) make any and all reasonable rules and regulations; (6) determine the work assignments of its employees; (7) determine the basis for selection, retention and promotion of employees to or for occupations not within the bargaining unit established by this Agreement; (8) determine the type of equipment and the sequence of work processes; (9) determine to make technological alterations by revising either processes or equipment or both; (10) determine work standards and the quality and quantity of work; (11) select and locate facilities; (12) establish, expand, transfer, and/or consolidate work and facilities; (13) consolidate, merge or otherwise transfer any or all of its facilities, property, or work with or to any other municipality or entity or effect or change in any respect the legal status, management or responsibility of such property, facilities, processes or work; (14) terminate or eliminate any part of its work or facilities.

Section 4.3 The Union agrees, in recognition of the Management's rights, not to request that the Village bargain with respect to the foregoing during the term of this Agreement, except as otherwise specifically provided herein, either as to the initial decision or as to the effect of that decision upon wages, hours and other terms and conditions of employment.

Section 4.4 The Village agrees not to discriminate against any employee because of membership in the Union or because of any activity on behalf of the Union. Union activities shall not interfere with the normal operation of the Village, and neither the Union nor any of its members, agents, or representatives will intimidate or coerce any employee with respect to his right to work, or engage in any Union activity during working hours except as specifically permitted in this Agreement.

Section 4.5 The Village shall be entitled to accept and act upon all official and authoritative written statements made to it from time to time by the Union's officers and accredited representatives respecting the application of the terms of the Agreement and the rights and obligations of its members thereunder; and in the event of such acceptance and reliance upon such statements, such statement shall be binding upon the Union and its members.

ARTICLE 5 SPECIAL MEETINGS

The Village and Union agree to meet and confer on matters of interest upon the written request of either party. The written request should state the nature of matters to be discussed and the reasons for requesting the meeting. Discussion shall be limited to matters set forth in the request, but it is understood that these special meetings shall not be used to renegotiate this Agreement. Special meetings shall be held within ten (10) calendar days of the receipt of the written statement.

ARTICLE 6 UNION STEWARDS

Section 6.1 Employees with the bargaining group shall be represented by the Chairman or a designated Steward. The Union shall furnish the Village the Chairman's and Steward's names.

Section 6.2 Upon the grievance of any employee, the Chairman or a Steward may investigate and assist in its presentation. He shall be allowed reasonable time during working hours without loss of time or pay upon notification and approval of his immediate supervisor outside the bargaining unit. Such permission shall not be unreasonably denied.

Section 6.3 Union business shall be conducted so as not to interfere with the work assignment of the Chairman or any other employees.

ARTICLE 7 GRIEVANCE PROCEDURE

Section 7.1 It is the intent of the parties to the Agreement to prevent grievances and to settle any which may occur as fairly and promptly as practical. Therefore, it is agreed that there should be time limits between the initiation of the grievance and its progress through steps of the grievance procedure and the time in which each answer must be given. Any grievance not initiated, taken to the next step or answered within these time limits will be considered settled on the basis of the last answer by the Village if the Union does not move to the next step within the time limits, or on the basis of the Union's last demand if the Village fails to give its answer within the time limits.

Section 7.2 A grievance is any dispute, controversy or difference between:

- (a) The parties;
- (b) Management and an employee or employees;

(c) Between or among employees of the Village on any issue with respect to, on account of, or concerning the meaning and interpretation or application of this Agreement or any terms or provisions thereof.

Section 7.3 In the event of a dispute arising over the application or interpretation of the terms of this Agreement, the employee and the steward shall take the matter up with the Department Head within five (5) working days of the occurrence of the event complained of.

STEP 1 If they cannot reach a satisfactory solution within five (5) working days, the matter shall be written down and referred to the Union President or his representative and the Department Head or his representative.

STEP 2 In the event no agreement is reached at Step 1, either party may then request for the dispute to be submitted for a hearing with the Mayor and the Union Business Representative. Such request for a Step 2 hearing will be submitted in writing by the requesting party within five (5) working days. The Step 2 meeting will be scheduled within three (3) days of the request.

STEP 3 In the event no agreement is reached at Step 2, either the Union or the Village may, upon written notice to the other, appeal the grievance to arbitration within five (5) working days. The parties shall then promptly attempt to mutually agree upon an arbitrator within five (5) working days after the notice of appeal.

If the parties are unable to mutually agree upon an arbitrator within five (5) working days, then the Village and the Union shall request the Public Employment Relations Board (PERB) to submit a panel of seven names of suggested arbitrators. The parties shall then select the arbitrator from such list by each party alternately removing one name from the list until but one name remains. The Village shall strike the first name for the first arbitration case, the Union shall strike the first name for the second arbitration case, and the striking of the first name shall alternate in like fashion for subsequent cases.

The decision of the arbitrator shall be final and binding. However, it is agreed that the arbitrator shall be bound by the terms of this Agreement and shall have no authority whatsoever to modify its terms.

The expense of the arbitrator selected, the hearing room and the transcript of the testimony if the parties mutually agree upon having the testimony of the hearing transcribed, shall be borne equally by the Village and the Union.

Section 7.4 There shall be no lockouts or reduction of work pending the dispute and/or decision of said arbitrator in any manner.

Section 7.5 In handling grievances hereunder; no employee or representative of the Union shall leave his job without permission of his Department Head, which permission, having due regard for operating requirements shall not be unreasonably withheld. Such employee and/or Union representative shall be paid at their regular hourly rate for time necessarily spent during their regular working hours in fulfilling the procedures specified in this Article.

ARTICLE 8 DISCIPLINARY ACTIONS

Section 8.1 Employees who have satisfactorily completed the probationary period provided in Section 9.2 may be removed or otherwise subjected to any disciplinary penalty only for just cause. Such employees shall be disciplined as set forth in this Article, which shall apply in lieu of the provisions of Sections 75 and 76 of the New York Civil Service Law.

Section 8.2 In disciplinary actions (including discharge and demotion), the Village and Department Head shall give prompt notice thereof in writing to the employee, the Union Chairman and Union Business Representative.

The written notification shall contain a detailed description of the charges which shall include dates, time and places. It is understood and agreed that any employee covered by this Agreement shall be entitled to Union representation at any hearing stage of a disciplinary proceeding.

Section 8.3 The disciplined employee will be allowed to discuss such disciplinary action with a designated Steward and the Village will make available an area where he may do so before he is required to leave the premises.

Section 8.4 If the Village or Department Head has a reason to warn or reprimand an employee, it shall be done in a manner that is consistent with good employee relations.

Section 8.5 An employee may appeal disciplinary action imposed by the Village by submitting the matter as a grievance under the procedure set forth in Article 7, above.

Section 8.6 (a) All employees, upon request, shall be given a reasonable opportunity annually, to review their official personnel file as maintained by the Village. The request must be in writing and be approved by the Mayor. This file shall contain their original application for employment and any and all job evaluations, commendations, reprimands, suspensions, and any other record of actions which have taken place during their employment with the Village.

Upon review of their file, employees may request and shall be provided a copy of all documents and notations which they had not previously been given.

(b) No letter of criticism, poor evaluation, reprimand, any other documents which could effect any employee's job security, may be placed in any employee's official personnel file without the employee first having an opportunity to review such action. Should an employee, upon review of such action, disagree with all or part of any letter, he shall have the right to seek removal of any part or all of the letter by filing a grievance under the Grievance Procedure of this Agreement.

ARTICLE 9 SENIORITY

Section 9.1 Definition – Seniority shall mean the status attained by the length of continuous service with the Village.

Section 9.2 Accrual of Seniority.

(a) Seniority shall begin with the last date of entering the service of the Village. Two or more persons who entered the service on the same day shall, when necessary have their relative seniority determined by the flip of the coin.

(b) All original and promotional appointments shall be probationary. Promotional appointments shall be subject to a probationary period of twelve (12) weeks from appointment. Original appointments shall be subject to a probationary period of twenty-six (26) weeks from appointment. At any time during the probationary period, the Board may remove or demote an employee whose performance does not meet its satisfaction.

(c) While an employee is serving his probationary period, but after no more than ninety (90) days, the Department Head must notify such probationary employee of any weakness that may have been observed in such employee's work which, if not corrected, could be cause to terminate the employee's service prior to the expiration of his probationary period. Such notification shall be in writing, and shall indicate in what manner his work needs improvement. The Department Head will counsel the employee on this matter.

(d) Any employee in a promotional appointment shall have the right to return to his previous classification at his request if such request is made within thirty (30) days of his appointment, or he may return to the previous classification if management decides to remove him from such promotional appointment during the probationary period because the employee did not

perform satisfactorily. The employee shall have forty-eight (48) hours to accept or decline his previous classification.

(e) Employees promoted to management positions who subsequently return to the bargaining unit shall retain full seniority rights for all time prior to the promotion no more than two (2) years and time spent during the promotion, provided such return is made within two (2) years of the date of promotion.

Section 9.3 The Village agrees to post, semi-annually, an up-to-date seniority list showing the continuous service of each permanent employee.

Section 9.4 An employee's seniority will continue to accrue during any period of absence brought about as a result of a service incurred disability or any other paid and approved leave-of-absence.

Section 9.5 Loss of Seniority – Employees shall lose their seniority for the following reasons:

(a) Discharge, if not reversed.

(b) Resignation. An employee absent for three (3) consecutive normally scheduled work days without notification of valid reason to the supervisor or Board and who has no legitimate reason for not notifying the Board of his absence may be considered as having resigned.

(c) Unexcused failure to return to work when recalled from layoff as set forth in Article 10.

(d) An unexcused failure to return to work after expiration of formal leave of absence.

(e) Retirement.

Section 10.1 Definition – Layoff shall mean the separation of employees from the active work force due to lack of work or funds.

Section 10.2 Order of Layoff:

(a) No permanent or probationary employee shall be laid off from his position in any department or division while any seasonal, temporary or provisional employees are serving in the same position class in that department or position that a regular bargaining unit employee is capable of performing the job. No permanent or probationary employee in the Department of Public Works shall be laid off from his position while any seasonal, temporary or provisional employees are serving in that department.

(b) If any employee is removed from a job classification under Paragraph (a) above, such employee or employees shall be offered a transfer to any other job within the bargaining unit which they are capable of satisfactorily performing, provided that any such transfer will not require the removal of an employee with the same or greater amount of net credited service than the employee to be transferred.

(c) Except as provided below, the layoff of probationary or permanent employees in any department or division shall be in inverse order of seniority in the position classes affected.

Section 10.3 Exceptions to Seniority – The Board may approve deviations from seniority and layoffs or demotions in lieu of layoff when seniority alone would result in retaining employees unable to maintain satisfactory level of performance in the department or division affected. In such cases, the affected employee shall be given written notice of the determination and reasons therefore. The Board shall comply with all requirements of the Civil Service Law should they desire to take an exception to seniority.

Section 10.4 Notice of Layoff – Employees to be laid off indefinitely shall be given at least seven (7) calendar days prior notice.

Section 10.5 Recall from Layoff:

(a) Employees to be recalled from layoff shall be given a maximum of ten (10) days to respond after notice has been sent out by certified mail to their last known address.

(b) Employees who decline recall or who in absence of extenuating circumstances fail to respond as directed within the time allowed, shall be presumed to have resigned.

Section 10.6 Employees to be restored to positions from which they have been bumped to or have been bumped to in lieu of layoff shall be given three (3)

calendar days in which to accept. Names of those who decline shall be removed from the permanent preferred eligible list.

(c) Employees shall have a fifteen (15) minute rest period during each one-half ($\frac{1}{2}$) shift. The rest period shall be scheduled at the middle of each shift. The rest period will be at the job site.

(d) Employees on early callouts shall receive a 15 minute breakfast break with pay. Said break to be taken at the work site.

(e) Employees shall receive checks in enclosed envelopes.

(f) From the first full week of May through the first full week of September, the Village shall have the right to utilize a work week of four 10-hour work days for shift workers and non-shift employees. In the event that the Village requires all employees, or any group of employees, to work a four-day work week, the Village shall provide one week advance notice to the Union and the affected employees. The Village may provide less than one week advance notice with the consent of the affected employees.

When employees work a four-day week as set forth herein, such employees shall receive overtime for hours worked in excess of ten (10) hours on a given day or forty (40) hours in a given pay week. During such weeks employees shall not receive overtime for hours worked in excess of eight (8) hours on a given day as provided in Section 12.2(a).

In the event that the Village elects to utilize a four-day work week, the affected employees' work week shall revert to the normal five-day work week, as established in Section 11.1(a), during any week that includes a holiday recognized by Section 16.2. If an employee uses vacation or sick leave when he or she is scheduled to work a four-day work week, then the employee's accrued leave credits shall be charged with ten (10) hours of such leave for each full day that he or she is absent. If an employee is absent for less than one full day, then the employee's accrued leave credits shall be charged the actual number of hours that he or she is absent.

Section 11.2 (a) Employees in Sewer and Dispatching are classified as shift workers.

(b) All other employees shall be classified as non-shift employees.

ARTICLE 12 OVERTIME

Section 12.1 (a) All members of the bargaining unit shall be paid overtime as stipulated in this Agreement.

(b) Overtime hours shall be divided as equally as possible among employees in the same classification in their work section. An up-to-date list showing overtime hours will be posted every six (6) months, but it will be available to any employee at any time at the Finance Office upon their request.

(c) For purposes of overtime for snow removal and hydrant flushing, once the department/classification employees have been exhausted, and the Village must look outside the classification to perform the overtime, then the overtime will be offered to the most senior qualified employee in the bargaining unit. Employees who accept snow removal overtime will be subject to the provisions of the Substance Abuse Agreement attached as "Appendix C."

Section 12.2 (a) Overtime is described as that time worked in excess of eight (8) hours on a given day or in excess of forty (40) hours in a given pay week.

(b) Overtime shall be paid at the rate of one and one-half ($1\frac{1}{2}$) times the employee's regular hourly rate for those overtime hours worked on any weekday or Saturday. Overtime on Sunday shall be paid at the rate of two (2) times the employees regular hourly rate. The employee shall receive pay at the rate of one and one-half ($1\frac{1}{2}$) times the regular hourly rate for all work performed on a holiday, in addition to the holiday pay.

(c) An employee called to work at a time other than his scheduled work shift shall be credited with a minimum of four (4) hours at his regular rate or with the actual hours worked at one and one-half (1½) times his regular rate, whichever is greater, unless such time shall be continuous with his scheduled work, in which case he shall be paid his overtime rate or leave work after eight (8) hours served upon Department Head approval. An employee called in to work under this provision shall remain available to work for the entire four (4) hour period.

(d) An employee absent on authorized sick leave with pay, jury leave with pay, holiday or on vacation, shall be considered to have worked his normal work shift during such absence. Employees absent on unpaid leave shall not be considered to have worked during such absence.

(b) The parties agree that emergency situations and changes in operations may require a seven (7) day schedule. Therefore, the Employer agrees to notify employees as soon as possible of a change in schedule. The Employer further agrees not to change work schedules for the sole purpose of eliminating overtime.

Section 12.4 Overtime premium pay may be waived in lieu of compensatory time off at the discretion of the employee. Compensatory time off shall be accrued at the same rate as overtime pay. No employee may accrue more than eighty (80) hours of compensatory time off. Requests for use of compensatory time shall be submitted to the Department Head and may be granted at the sole discretion of the Department Head based upon the Employer's operational needs. All unused compensatory time will be paid out to the Employee at the last pay period in May.

ARTICLE 13 NEW OR CHANGED JOBS

Section 13.1 (a) The Union and the Village will meet on an annual basis to identify the Civil Service job descriptions promulgated by the Genesee County Civil Service Commission, which apply to each job classification listed in

"Appendix A." Existing job classifications and pay grades shall not be changed without a negotiated Agreement between the parties.

(b) All new or changed jobs will be posted for a minimum of seventy-two (72) hours prior to being filled by the Village. Before posting any such job, the Village will provide the Union with a copy of the Civil Service job description and will meet with the Union (upon request) to discuss the impact of any newly created position.

(c) When a job is posted, Supervisors must at all times refrain from engaging in conduct which may discourage an employee from bidding on the proposed position, and in addition, shall abstain from any indication of appointment.

(d) The new or changed job will be awarded to the best qualified applicant. When the applicants are relatively equal in qualifications, the job will be to the applicant with the most seniority. The determination of the qualifications or capabilities of an applicant shall rest with the Employer, subject only to the grievance procedure. In any grievance under this section which disputes the determination made by the Village, the Union shall have the burden of demonstrating that the chosen candidate and the grievant are relatively equal in qualifications, and that the chosen candidate had less seniority than the grievant.

Section 13.2 Any employee who is assigned to work in a higher classification shall receive the rate of pay for such higher classification for the hours he so works, provided he works two (2) hours in the higher classification in an eight (8) hour period. All assignments to a higher classification shall be made in writing by the Department Head. Should any employee be assigned to work in a lower classification, he shall be paid his regular rate of pay. Any employee assigned additional responsibility during an extended absence of a Department Head shall receive an additional fifty cents (\$0.50) per hour for work performed (including weekend and overtime work) during such period. All assignments shall be made in writing by the Department Head.

Section 13.3 The Village shall reimburse employees for approved training coursework, as budgetary limits allow, that is directly related to work done by the employee or work which may reasonably be expected of the employee in the immediate future. An employee seeking reimbursement for training must request approval by the Village in advance. The Village shall determine the relevancy of the requested training, and final approval of the employee's request shall rest with the Village Board. If the training is approved, the Village will reimburse the employee after the employee presents documentation demonstrating that he or she has successfully completed the training. All time

spent by the employee in connection with the training shall be without pay, unless compensation is expressly authorized by the Village.

ARTICLE 14 WAGES

All full-time dispatchers working on a regularly scheduled night shift (11:00 p.m. to 7:00 a.m.) shall receive an extra thirty cents (\$0.30) per hour for such evening or night hours.

Section 14.4 In the event that an employee's position requires that he or she possess a commercial drivers license ("CDL"), then the Village shall pay the licensing fees associated with the renewal of such required CDL license. The Village shall not be required to pay any expenses or fees associated with the employee obtaining the CDL license for the first time.

Section 14.5 The Village agrees to make available an IRS Section 125 Plan within thirty (30) calendar days after the execution of this contract. This benefit will be available to all bargaining unit members, and the Village will bear any administrative expense.

Section 14.6 All full-time employees with one year of service shall receive an annual payment of five hundred dollars (\$500.00) in the first pay period of December in each year of this Agreement. A full-time employee with less than one year of service by the first pay period of December shall receive a pro-rated payment.

ARTICLE 15 VACATIONS

APPENDIX C SUBSTANCE ABUSE AGREEMENT

The policies stated herein shall include alcohol, and the following drugs: (1) marijuana, (2) cocaine, (3) opiates, (4) amphetamines, (5) phencyclidine, as listed in 49 CFR Part 40.

As used in this agreement, the reference to a "pre-employment" test (see **PROHIBITED CONDUCT**) refers to tests required of current employees prior to promotion or transfer from one position to another position. Effective January 1, 2004, the terms and conditions contained in this Substance Abuse Agreement apply to all employees of the Village of LeRoy.

PROHIBITED CONDUCT

No employee shall report for duty or remain on duty when his/her ability to perform assigned functions is adversely affected by alcohol or when his/her blood alcohol concentration is 0.02 or greater. No employee shall use alcohol within four (4) hours of reporting for duty. No employee shall use alcohol during the hours that he/she is on-duty or on call. No employee shall possess alcohol while on duty. No employee shall report for duty or remain on duty when the employee uses any controlled substance, except when use is pursuant to the instructions of a physician who has advised the employee that the substance does not adversely affect the employee's ability to operate a commercial motor vehicle or the performance of his/her job. No employee shall report for duty, remain on duty or perform a safety-sensitive function if the employee tests positive for controlled substances. No employee shall engage in the manufacturing, distribution, dispensing, possession, or use of prohibited substances while on the job. No employee shall refuse to submit to a pre-employment, post-accident, random, reasonable suspicion, or a follow-up alcohol or controlled substance test.

Violation of these provisions is prohibited and shall constitute just cause for discipline as described herein.

APPLICABILITY

The testing procedures shall apply to all employees including fulltime, part-time, and any employee who is required to have a CDL as part of his/her job.

Any employee who voluntarily reports a substance abuse problem to the Mayor or the Village Clerk prior to the Village directing the employee to be tested, will be given all possible assistance in the most confidential manner possible.

REPORTING

Employees have the obligation to report to the Mayor or the Village Clerk use of any controlled (prescriptive) substance that may affect the performance of his/her duties. Such employees should be prepared to produce proof of medical authorization

for use of such controlled substance upon request. An employee, using a drug or over-the counter remedy legally prescribed and properly taken, will not be disciplined, but may be prohibited from performing the function of his/her position. Failure to report such use or provide proof of authorization upon request may result in disciplinary action.

TESTING

Drug screen and/or breath alcohol tests shall be administered under the following circumstances:

- Pre-employment (before transferring to a position as deemed necessary by the Village).
- Reasonable suspicion.
- Random.
- Follow-up to a positive test.
- Return to duty from a positive test.
- Post-accident (required under the following circumstances):
 - (a) Fatal accidents.
 - (b) Non-fatal, if immediate medical attention away from the scene is required.
 - (c) Either vehicle is towed.

Following any on-duty accident, the employee shall contact the employer as soon as possible. If testing is required, the employee will be tested as soon as possible, but not to exceed eight hours for alcohol testing, and 32 hours for drug testing. Any employee involved in an accident, must refrain from alcohol use and remain on duty until he/she undergoes a post-accident alcohol test. Any employee, who leaves the scene of the accident without appropriate authorization prior to submission to drug and alcohol testing, will be considered to have refused the test and will be subject to discipline up to and including discharge. Employees tested under this provision will include not only the operations personnel, but also any other employee whose performance could have contributed to the accident.

The tested employee shall bear all costs associated with return to duty and follow-up testing, and employees will not be paid for time associated with such tests.

Tests for alcohol concentration will be conducted utilizing a National Highway Traffic Safety Administration (NHTSA) approved evidential breath-testing device (EBT) operated by a trained breath alcohol technician (BAT). If the initial testing indicates an alcohol concentration of 0.02 or greater, a second test will be performed to confirm the results of the initial test.

All positive drug screen assay tests must be confirmed by GC/MS testing as well. A strict chain of custody procedure must be followed.

All urine samples will be divided as required and an independent test performed when requested by the individual at a mutually agreed Lab. This test will be at the expense of the individual. If the test is negative, the Company will reimburse the employee for the test.

All urine specimens will be taken by the Village's authorized contractor or designee. The collection site and the collection of the specimens will be in compliance with Federal Regulations.

Whenever possible, operators will be tested before starting a piece of work.

The Company may not require an employee to remove any clothing for the purpose of collecting a sample except the Company may require that an employee leave any personal belongings, any unnecessary coat, jacket, or similar outer garments outside of the collection area (other than worn clothing).

CONSEQUENCES OF ENGAGING IN PROHIBITED CONDUCT

If an employee engages in prohibited conduct, that employee may not perform the functions of his/her job and the Employer shall immediately remove the employee from service. An employee who has engaged in prohibited conduct shall not receive wages for the period of time that he/she has been removed from service.

The Employer shall provide any employee who engages in prohibited conduct with the names, addresses and telephone numbers of qualified substance abuse professionals. If the employee wishes to return to the work place, the employee must submit to an evaluation by a substance abuse professional, as provided in 49 C.F.R. §382.605.

When the results of an employee's random alcohol or drug test demonstrate that the employee has engaged in prohibited conduct involving the off-duty use of alcohol or marijuana, the Employer may, in addition to those measures required by federal law, suspend the employee for one week without pay for the first offense. Such one-week suspension may be served before the employee satisfies any return-to-duty requirements of federal law. If, after serving the one week suspension, the employee has not satisfied the return-to-duty requirements as provided in 49 C.F.R. §40.305 or as otherwise required by federal law, then the employee may use any sick leave benefits or vacation benefits standing to the employee's credit. If, within a period of five years after the first offense, the results of an employee's random alcohol or drug test demonstrate that the employee has engaged in prohibited conduct involving the off-duty use of alcohol or marijuana, the Employer may, in addition to those measures required by federal law, take disciplinary action, up to and including termination, in accordance with the disciplinary provisions of the applicable collective bargaining agreement.

When an employee engages in any other kind of prohibited conduct, the Employer may, in addition to those measures required by federal law, take disciplinary action, up to and including termination, in accordance with the disciplinary provisions of the applicable collective bargaining agreement.

Test results for controlled substances shall be "positive" when the level of concentration in urine is higher than the cutoff levels as described in 49 C.F.R. § 40.305 (a).

CONFIDENTIALITY

The Employer will make every effort to assure confidentiality (conform to all Federal, State, and Local Laws) throughout the testing process, and to protect the individual's dignity and right to confidentiality. Except as required by law or as necessary in arbitration, legal or grievance proceedings related to the matter, or expressly authorized or required by the regulations, the Employer will not release any information from the records it is required to maintain under the regulations. The employee and the Union, if so authorized by the employee, upon written request, is entitled to obtain copies of any records pertaining to the employee's drug and alcohol testing.

COST OF REHABILITATION

The Employer shall provide employees who have engaged in prohibited conduct with a referral to its Employee Assistance Program (EAP). Any cost for rehabilitation over and above that provided for in the EAP program shall be borne by the employee.

ADDITIONAL TERMS AND CONDITIONS

The Village will develop programs designed to educate employees about the dangers of substance and alcohol abuse, the EAP services available through the Village, and about public and private services available to employees who have a substance abuse problem.

Education and training will be provided for all appropriate personnel. All training and education expenses shall be paid by the Village.

All safety-sensitive employees covered by the terms of recent regulations shall be provided with appropriate literature advising them of the new legislation, its requirements, and the individual's rights and responsibilities under the law. It is not intended that this Agreement violate any individual's rights.

WAIVER

Should the regulations concerning mandatory drug and alcohol testing issued by the U.S. Department of Transportation (49 C.F.R. Part 653 or 654) or any parts or portions thereof, or the provisions of this Agreement found to be invalid or unconstitutional, such

provisions shall be rendered null and void and cease to be effective, pending renegotiations by the parties.

Both parties agree to abide by any changes issued by DOT concerning mandatory drug and alcohol testing.

REFUSAL

Any employee who refuses to comply with a request for testing, who provides false information in connection with a test, or who attempts to falsify test results through tampering, contamination, adulteration, or substitution, shall be removed from duty immediately, and will be subject to discipline, which may include discharge. Refusal can include an inability to provide a specimen or breath sample without a valid medical explanation, as well as a verbal declaration, obstructive behavior, or physical absence, resulting in the inability to conduct the test.

CONTACT PERSON

An employee with questions regarding this policy or any other aspect of the drug-free and alcohol-free program should contact the Mayor or the Village Clerk.
